

REHABILITATION

TECHNICIAN

Are you interested in the medical field? Do you display integrity, dependability, cooperation and concern for others?

Then you may be a good fit for Job Corps' Rehabilitation Technician training program.

///REQUIREMENTS

- ▶ Have a high school diploma or equivalent (can be earned at all Job Corps centers)
- ▶ Completion of all introductory and career preparation courses
- ▶ Passing scores on all written and performance tests
- ▶ Meet academic (math and reading) requirements

///CREDENTIALS EARNED

In the Rehabilitation Technician training program, you will earn industry-recognized credentials.

- ▶ First Aid Certification
- ▶ CPR Certification

Student should also earn a state-issued learner's permit and driver's license upon completion of the program.

///ON THE JOB, YOU WILL:

- ▶ Work under the direction and supervision of physical therapists
- ▶ Be involved in direct care of patients, including observation and treatment
- ▶ Help patients recovering from injuries and illnesses to regain movement and manage pain
- ▶ Assist patients with using medical devices and equipment such as walkers
- ▶ Educate patients on post-rehabilitation routines

///CAREER OPPORTUNITIES

Individuals with their rehabilitation technician credentials often go on to provide care for patients at rehabilitation centers, hospitals and clinics.

///SALARY POTENTIAL

Annual salaries for rehabilitation technicians range from **\$46,862 to \$73,154**, with a national average of \$58,698.*

Job Corps provides **free career training** and education for low-income 16-through 24-year-olds in 10 different industries. Students can also earn their high school diploma or equivalent, driver's license, and other credentials while working in their chosen career training area.

///FREE BENEFITS OF JOB CORPS INCLUDE:

Hands-on training and internship learning opportunities

Housing, meals, basic medical care

Living allowance

Support and career counseling during and after completion of the program
